In a telephone conference with Examiner Kiss on September 26, 2003, he indicated that the amendment and response to the office action bearing a mailing date of March 13, 2003 has not yet been received by the Patent Office. Additionally, the amendment was not listed in the PAIR system as of September 30, 2003.

On August 22, 2003, the applicant filed an amendment in response to the outstanding office action, a petition for a 3-month extension of time, and a check in the amount of \$930.00 for the extension fee. Copies of the amendment, the stamped postcard documenting that the patent office received this material, and the cleared check for the extension fees are enclosed. The applicant kindly asks that the attached amendment be processed and matched with the file wrapper for the pending application so that it may be examined.

Please contact the undersigned attorney if there are any questions regarding this matter.
